Subject: Rezoning

Good afternoon. As per our recent conversation, I wish to express my disapproval of the initiative to re-zone the area described as being north and west of Bliss Woods. I do not believe that this re-zoning is in the best interests of the Village or it's residents. Due to recent health issues I will not be able to attend the meeting scheduled for tonight, January 23, 2019 to discuss this issue. I am, therefore, asking that you will express my disapproval, by proxy, of this re-zoning initiative. Any questions, please contact me.
Thank you
