**VILLAGE OF SUGAR GROVE
BOARD REPORT**

TO: VILLAGE PRESIDENT & BOARD OF TRUSTEES
FROM: JUSTIN VANVOOREN, FINANCE DIRECTOR
SUBJECT: DISCUSSION: WATER METER REPLACEMENT PROGRAM
AGENDA: OCTOBER 4, 2011 REGULAR BOARD MEETING
DATE: SEPTEMBER 28, 2011

ISSUE

Shall the Board authorize a water meter replacement program.

DISCUSSION

The Board authorized the issuance of General Obligation Waterworks and Sewerage Alternate Bonds for replacement of the current water meter system at the September 6, 2011 Village Board meeting. In addition, Staff published the intent to issue bonds in the September 8, 2011 Kane County Chronicle. Lastly, the Board held the public hearing required by the Bond Issue Notification Act, 30 Illinois Compiled Statutes 352, on September 20, 2011.

The bonds were to be issued to pay for 2 distinct, but related projects. One, a fixed point reading system at a cost of less than \$100,000, and two, the replacement of water meters throughout the community at a cost over \$1 million. The reading system itself would be installed on the water towers and allow staff to get reads on demand, as well as receive codes indicating leaks.

There are currently 4,120 meters that were installed between 2001 and 2011. Each of these meters includes a 10 year warranty, whereby if the meter fails within the first 10 years, the Village will receive a free replacement meter. The original discussion was to replace all of the Village meters. Upon further review, Staff is now looking to initially replace approximately 1,100 faulty water meters (under warranty). The remaining meters would be replaced over time when they malfunction or cease operation, or when the warranty is up.

Staff continues to recommend the fixed point reading system. As meters are replaced, the new meters would be installed with an updated transponder with the ability to take advantage of the fixed point reading system. Until all meters are replaced, a dual reading system would be utilized.

Replacing the meters over time would allow the Village to utilize current resources, including the water meter program fee, to pay for these costs and save the additional interest cost of issuing bonds. It is anticipated that all water meters would be replaced and converted to fixed point read within five years.

Staff has been working with multiple vendors on this project and expects to be prepared to make a recommendation for approval at the October 18, 2011 Board Meeting.

COST

The Village has not incurred any costs to date. The budget amendment approved at the July 19, 2011 Village Board meeting included the cost of water meters.

RECOMMENDATION

That the Board discuss the water meter replacement program and direct staff to present bids or proposals for a fixed point meter reading system and meter replacement program for approval at the next Board Meeting.

**VILLAGE OF SUGAR GROVE
BOARD REPORT**

TO: VILLAGE PRESIDENT & BOARD OF TRUSTEES
FROM: BRADLEY A. SAUER, CHIEF OF POLICE
SUBJECT: AN ORDINANCE PROHIBITING THE SALE OF SYNTHETIC
ALTERNATE DESIGNER DRUGS
AGENDA: OCTOBER 4, 2011 REGULAR BOARD MEETING
DATE: SEPTEMBER 26, 2011

ISSUE

Should the Village Board prohibit the sale, delivery and possession of synthetic alternate designer drugs.

DISCUSSION

“Bath Salts”, not the kind used in a calming bath, but the kind of synthetic alternative drug made to mimic the effects of cocaine or heroin, with names like “Ivory Wave” and “Pure White” were outlawed in the State of Illinois on July 22, 2011. Synthetic cannabis was included in the same Bill but the effective date for the ban of this substance is not until January 1, 2012.

Synthetic cannabis is a psychoactive herbal and chemical product which, when consumed mimics the effects of cannabis. It is best known by the brand names K2 and Spice. When synthetic cannabis blends first went on sale in the early 2000s it was thought that they achieved an effect through a mixture of legal herbs. Laboratory analysis in 2008 showed this was not the case and that they in fact contained synthetic cannabinoids which act on the body in a similar way to cannabinoids naturally found in cannabis such as THC. A large and complex variety of synthetic cannabinoids, most often cannabicyclohexanol, JWH-018, JWH-073, or HU-210, are used in an attempt to avoid the laws which make cannabis illegal, making synthetic cannabis a designer drug. It has been sold under various brand names, online, in head shops, tobacco stores and some gas stations. (excerpted from Wikipedia).

With the State ban not going into effect until January 1, 2012, we felt a need to “fill the gap” with an Ordinance preventing the sale or possession of all of these alternative designer substances for the interim. It will also give us the latitude in the future to charge persons in possession of these substances with an Ordinance Violation for small amounts, or a misdemeanor using the State Statute for large amounts or second

offenders. This would be similar to the way we handle small amounts of marijuana currently.

COST

The only cost for this would be attorney's fees to prepare a revision to our Ordinance would be approximately \$250 coming from account 01-51-6301, Legal Services.

RECOMMENDATION

It is recommended that the Village Board approve an Ordinance prohibiting the possession, sale, delivery or use of any of the combinations of what are referred to as Synthetic cannabis or "BathSalts" or other synthetic stimulants and synthetic psychedelic/hallucinogens within the Village of Sugar Grove.

**VILLAGE OF SUGAR GROVE
BOARD REPORT**

TO: VILLAGE PRESIDENT & BOARD OF TRUSTEES
FROM: ANTHONY SPECIALE, DIRECTOR OF PUBLIC WORKS
GEOFF PAYTON, STREETS & PROPERTIES SUPERVISOR
SUBJECT: APPROVAL: PURCHASE OF REPLACEMENT F-550 DUMP TRUCK
AGENDA: OCTOBER 4, 2011 REGULAR BOARD MEETING
DATE: SEPTEMBER 26, 2011

ISSUE

Should the Village Board approve the purchase of a replacement F-550 Dump Truck.

DISCUSSION

The Fiscal Year 11/12 Budget included funds to purchase replacement F-550 Dump Truck equipped with a snow plow, tailgate spreader and anti-icing equipment. The 2000 F-550 currently in service will be traded in on the replacement. The replacement F-550 will be utilized for landscaping, cold patching, snow removal and various other daily tasks. The anti-icing equipment will be the first step in incorporating liquid anti and deicing operations into our snow removal program. Staff recommends that the dump be purchased this fiscal year as scheduled. Staff requested proposals for the replacement dump truck from seven local dealerships. Four dealerships submitted proposals. Below is a comparison of the bids received (prices listed are final prices including trade in and all discounts applied):

<u>Dealership</u>	<u>Price</u>
Terry's Ford	\$61,273.34
Zimmerman Ford	\$61,460.00
North West Ford	\$62,994.00
Rock River Ford	\$65,599.00

Terry's Ford was the lowest responsive responsible bidder with a bid of \$61,273.34. Staff recommends waiving the bid process and accepting the lowest proposal from Terry's Ford.

COST

The cost of the replacement F-550 Dump Truck including Municipal Plates, Village logo, emergency lighting and snow removal equipment is \$61,273.34. The Streets Capital

Fund, account number 30-53-7006: Automotive Equipment has \$74,3080.00 budgeted to purchase the replacement F-550 Dump Truck.

RECOMMENDATION

The Village Board waives the formal bidding process and directs staff to order the replacement F-550 Dump Truck in the not to exceed amount of \$61,273.34.00 from Terry's Ford.

**VILLAGE OF SUGAR GROVE
BOARD REPORT**

TO: VILLAGE PRESIDENT & BOARD OF TRUSTEES
FROM: JUSTIN E. VANVOOREN, FINANCE DIRECTOR
SUBJECT: DISCUSSION: REFUSE AGREEMENT
AGENDA: OCTOBER 4, 2011 REGULAR BOARD MEETING
DATE: SEPTEMBER 28, 2011

ISSUE

Shall the Village approve a refuse agreement extension.

DISCUSSION

During the discussion of departmental action plans, staff informed the Board of the expiration of the current refuse contract on July 31, 2012. Waste Management (WM) presented an extension to staff as follows:

- 1) WM has proposed to keep the rate the same through July 31, 2013. At that time, the rate would increase between 3% and 5% based on the CPI for the Chicago-Gary-Kenosha, IL-IN-WI area (as included in the current contract).
- 2) WM will provide 96 gallon refuse carts (64 gallon for seniors, upon request to WM) as of August 1, 2012 for all residents in Sugar Grove (included in the rate above). Residents would continue to have the 64 gallon recycling carts.
- 3) Waste Management will provide 3 solar power refuse compactors and companion recycle bins (see attachment for more information) to be placed throughout the community at the Village's discretion.
- 4) Waste Management would continue to provide unlimited refuse, recycling, and yard waste.
- 5) Waste Management would continue to provide street sweeping services 8 times per year.
- 6) Waste Management would continue to provide port-o-lets, sinks, and various size refuse containers for the Corn Boil.

Staff requested information regarding the availability of a senior rate for the Village. Although a senior rate is available, the Village would need to increase the cost to other users to cover the difference. Staff feels the rate should be left the same throughout the community.

Based on the proposal, staff recommends a 5-year contract extension with Waste Management for required services. This provides price protection to the Village's residents and maintains the level of service with unlimited refuse, recycling, and yard waste, as well as one large item per week, white goods two times per year, and street sweeping between April 1 and November 30.

Please note that comparing contracts between municipalities is difficult due to the variety of services requested and those utilized by the different communities. However, the rates received from Waste Management are generally in line with or below those received by the surrounding communities. Staff can provide the comparisons received if the Board would like to see them.

COST

There is no cost to the discussion of a contract extension. However, there will need to be legal review of any extension which should cost no more than \$500.

RECOMMENDATION

That the Village Board discuss a refuse contract extension and direct staff accordingly.

**VILLAGE OF SUGAR GROVE
BOARD REPORT**

TO: VILLAGE PRESIDENT & BOARD OF TRUSTEES
FROM: JUSTIN VANVOOREN, FINANCE DIRECTOR
SUBJECT: APPROVAL OF A RESOLUTION OF AUTHORIZATION TO SIGN A FOLDER/INSERTER LEASE
AGENDA: OCTOBER 4, 2011 REGULAR BOARD MEETING
DATE: SEPTEMBER 28, 2011

ISSUE

Should the Board approve the lease of a folder/insertter.

DISCUSSION

The current folder/insertter was purchased in 2004, approximately 7 years ago, to stuff the Village's utility bills. The company no longer offers a maintenance agreement on our folder/insertter and now charge on a per call basis. Staff has noticed an increase in the maintenance needs of the machine and, therefore, recommends the Village should get a new machine.

Although the machine was purchased last time, staff feels a lease would make more sense due to the obsolescence of this type of office equipment (similar to our copier leases). Staff received quotes for 60 month leases from four (4) companies for the folder/insertter as follows:

Associated Business Equipment	15,000.00
Distributech USA	20,379.00
FP Mailing Solutions	17,411.31
Neopost	13,808.52

The above includes all lease payments and maintenance for the entire length of the lease. Staff recommends a 60 month folder/insertter lease with Neopost for the DS-62 in a monthly lease amount of \$144.95 for the first 12 months and \$251.44 for the last 48 months as proposed.

COST

The cost of the copier lease will be \$144.95 per month for the first 12 months for a total of \$1,739.40 (\$869.70 in FYE 2012 and \$869.70 in FYE 2013). The FYE 2012 budget includes \$1,512 in maintenance charges in account 50-50-6403, Repairs and Maintenance, for the folder inserter. However, the actual charges will come out of 50-50-6402, Rental.

RECOMMENDATION

That the Board accept the proposal as presented and approve a resolution authorizing entering into a folder/inserter lease with Neopost for the DS-62.

VILLAGE OF SUGAR GROVE

ORDINANCE NO. 20111004

**AN ORDINANCE AMENDING THE VILLAGE OF SUGAR GROVE
VILLAGE CODE, TITLE 3, CHAPTER 6
(SYNTHETIC DRUGS)**

PASSED BY THE PRESIDENT AND BOARD OF TRUSTEES
OF THE VILLAGE OF SUGAR GROVE, KANE COUNTY, ILLINOIS
THIS 4TH DAY OF OCTOBER, 2011.

PUBLISHED IN PAMPHLET FORM BY AUTHORITY
OF THE PRESIDENT AND BOARD OF TRUSTEES
OF THE VILLAGE OF SUGAR GROVE, KANE COUNTY, ILLINOIS
ILLINOIS, THIS 4TH DAY OF OCTOBER 2011.

ORDINANCE NO. 20111004

**AN ORDINANCE AMENDING THE VILLAGE OF SUGAR GROVE
VILLAGE CODE, TITLE 3, CHAPTER 6
(SYNTHETIC DRUGS)**

BE IT ORDAINED by the President and Board of Trustees of the Village of Sugar Grove, Kane County, Illinois, as follows:

WHEREAS, the Village of Sugar Grove is not a home rule municipality within Article VII, Section 6A of the Illinois Constitution and, pursuant to the powers granted to it under 65 ILCS 5/1-1 *et seq.*; and,

WHEREAS, the Village of Sugar Grove has encountered products being sold at commercial businesses within its corporate boundaries containing compounds originally designed as synthetic alternatives (*i.e.*, synthetic cannabinoids, synthetic stimulants and/or synthetic psychedelic/hallucinogens) to prohibited controlled substances such as tetrahydrocannabinol (THC), cathinone, methcathinone, MDMA and MDEA; and

WHEREAS, the Village of Sugar Grove finds that products containing such synthetic alternatives may be purchased for recreational use currently as an alternative to otherwise regulated controlled substances banned at the Federal, State, and local levels; and

WHEREAS, the Village of Sugar Grove finds that products containing synthetic cannabinoids, synthetic stimulants and synthetic psychedelic/hallucinogens are particularly attractive to children and young adults due to their availability in small packages at neighborhood stores at minimal costs, as well as due to the names being given to these substances which are intended to appeal to children and young adults, as set forth on Exhibit "A" attached hereto; and

WHEREAS, the Drug Enforcement Administration ("DEA") has determined that the consumption of synthetic cannabinoids can have adverse health effects such as agitation, anxiety, nausea, vomiting, tachycardia, elevated blood pressure, tremors, seizures, hallucinations, paranoid behavior and non-responsiveness; and

WHEREAS, the DEA has determined that consumption of synthetic stimulants affect alertness, and have been linked to severe psychotic episodes, increased heart rates, panic attacks, and hallucinations; and

WHEREAS, the American Association of Poison Control Centers has reported 2,700 synthetic cannabinoid-related calls to poison control centers in 49 different states; and

WHEREAS, the Village of Sugar Grove is also aware of fatal overdoses in other Illinois communities and in other States, which are believed to have resulted from the users' consumption of synthetic stimulants, cannabinoids or psychedelic/hallucinogens; and

WHEREAS, the Village of Sugar Grove deems it necessary and desirable to prohibit the sale, delivery, possession and use of products containing synthetic cannabinoids, synthetic stimulants and synthetic psychedelic/hallucinogens in order to protect the public health, safety and welfare of the citizens of Sugar Grove.

NOW, THEREFORE, BE IT ORDAINED by the President and Board of Trustees of the Village of Sugar Grove, Kane County, Illinois, as follows:

SECTION ONE:

That Title 5 Chapter 2 of the Village Code of Ordinances be amended by adding the followings new subsections to read as follows:

5-2-8.1 Synthetic Alternative Drugs.

5-2-8.1-1 Definitions.

For purposes of this article, the following definitions shall apply unless the context clearly indicates or requires different meaning:

- (1) A *product containing a synthetic alternative drug* means any product containing a synthetic cannabinoid, stimulant or psychedelic/hallucinogen, as those terms are defined herein such as, but not limited to, the examples of brand names or identifiers listed on Exhibit "A" attached hereto and incorporated herein.
- (2) *Synthetic cannabinoid* means any laboratory-created compound that functions similar to the active ingredient in marijuana, tetrahydrocannabinol (THC), including, but not limited to, any quantity of a natural or synthetic material, compound, mixture, preparation, substance and their analog (including isomers, esters, ethers, salts, and salts of isomers) containing a cannabinoid receptor agonist, such as:

- JWH-007 (1-pentyl-2-methyl-3-(1-naphthoyl)indole)
- JWH-015 ((2-Methyl-1-propyl-1H-indol-3-yl)-1-naphthalenylmethanone)
- JWH-018 (1-pentyl-3-(1-naphthoyl)indole)
- JWH-019 (1-hexyl-3-(naphthalen-1-oyl)indole)
- JWH-073 (naphthalen-1-yl-(1-butylyndol-3-yl)methanone)
- JWH-081 (4-methoxynaphthalen-1-yl-(1-pentylyndol-3-yl)methanone)
- JWH-098 (4-methoxynaphthalen-1-yl-(1-pentyl-2-methylyndol-3-yl)methanone)
- JWH-122 (1-Pentyl-3-(4-methyl-1-naphthoyl)indole)
- JWH-164 (7-methoxynaphthalen-1-yl-(1-pentylyndol-3-yl)methanone)
- JWH-200 (1-(2-morpholin-4-ylethyl)indol-3-yl)-naphthalen-1-ylmethanone)
- JWH-203 (2-(2-chlorophenyl)-1-(1-pentylyndol-3-yl)ethanone)
- JWH-210 (4-ethylnaphthalen-1-yl-(1-pentylyndol-3-yl)methanone)
- JWH-250 (1-pentyl-3-(2-methoxyphenylacetyl)indole)
- JWH-251 (1-pentyl-3-(2-methylphenylacetyl)indole)
- JWH-398 (1-pentyl-3-(4-chloro-1-naphthoyl)indole)
- HU-210 ((6aR,10aR)-9-(Hydroxymethyl)-6,6-dimethyl-3-(2-methyloctan-2-yl)-6a,7,10,10a-tetrahydrobenzo [c]chromen-1-ol)
- HU-211 ((6aS,10aS)-9-(Hydroxymethyl)-6,6-dimethyl-3-(2-methyloctan-2-yl)-6a,7,10,10a-tetrahydrobenzo [c]chromen-1-ol)
- HU-308 (((1R,2R,5R)-2-[2,6-dimethoxy-4-(2-methyloctan-2-yl)phenyl]-7,7-dimethyl-4-bicyclo[3.1.1]hept-3-enyl) methanol)
- HU-331 ((3-hydroxy-2-[(1R,6R)-3-methyl-6-(1-methylethenyl)-2-cyclohexen-1-yl]-5-pentyl-2,5-cyclohexadiene-1,4-dione)
- CP 55,940 (2-[(1R,2R,5R)-5-hydroxy-2-(3-hydroxypropyl) cyclohexyl]- 5-(2-methyloctan-2-yl)phenol)
- CP 47,497 (2-[(1R,3S)-3-hydroxycyclohexyl]- 5- (2-methyloctan-2-yl)phenol) and its homologues
- WIN 55,212-2 ((R)-(+)-[2,3-Dihydro-5-methyl-3-(4-morpholinylmethyl)pyrrolo [1,2,3-de)-1,4-benzoxazin-6-yl]-1-nepthalenylmethanone)
- RCS-4 ((4-methoxyphenyl)(1-pentyl-1H-indol-3-yl)methanone)
- RCS-8 (1-(1-(2-cyclohexylethyl)-1H-indol-3-yl)-2-(2-methoxyphenyl)ethanone)

(3) *Synthetic stimulant* means any compound that mimics the effects of any federally controlled Schedule I substance such as cathinone, methcathinone, MDMA and MDEA, including, but not limited to, any quantity of a natural or synthetic material, compound, mixture, preparation, substance and their analog (including salts, isomers, and salts of isomers) containing substances which have a stimulant effect on the central nervous system, such as:

- 3-Fluoromethcathinone
- 4-Fluoromethcathinone (other name: flephedrone)
- 3,4-Methylenedioxy methcathinone (other name: methylone, MDMC)
- 3,4-Methylenedioxy pyrovalerone (other name: MDPV)
- 4-Methylmethcathinon (other names: mephedrone, 4-MMC)
- 4-Methoxymethcathinone (other names: methedrone, bk-PMMA, PMMC)

- 4-Ethylmethcathinone (other name: 4-EMC)
- Ethcathinone
- Beta-keto-N-methylbenzodioxolylpropylamine (other names: butylone, bk-MBDB)
- Napthylpyrovalerone (other names: naphyrone, NRG-1)
- N,N-dimethylcathinone (other name: metamfepramone)
- Alpha-pyrrolidinopropiophenone (other name: alpha-PPP)
- 4-methoxy-alpha-pyrrolidinopropiophenone (other name: MOPPP)
- 3,4-methylenedioxy-alpha-pyrrolidinopropiophenone (other name: MDPPP)
- Alpha-pyrrolidinovalerophenone (other name: alpha-PVP)
- 6,7-dihydro-5H-indeno(5,6-d)-1,3-dioxal-6-amine) (other name: MDAI)
- Any compound that is structurally derived from 2-amino-1-phenyl-1-propanone by modification or substitution in any of the following ways:
 - in the phenyl ring to any extent with alkyl, alkoxy, alkylenedioxy, haloalkyl, or halide substituents, whether or not further substituted in the phenyl ring by one or more other univalent substituents;
 - at the 3-position with an alkyl substituent;
 - at the nitrogen atom with alkyl, dialkyl, benzyl, or methoxybenzyl groups;
 - or by inclusion of the nitrogen atom in a cyclic structure.

- 2-(4-Iodo-2,5-dimethoxyphenyl)ethanamine (2C-I);
- 2-(4-(Ethylthio)-2,5-dimethoxyphenyl)ethanamine (2C-T-2);
- 2-(4-(Isopropylthio)-2,5-dimethoxyphenyl)ethanamine (2C-T-4);
- 2-(2,5-Dimethoxyphenyl)ethanamine (2C-H);
- 2-(2,5-Dimethoxy-4-nitro-phenyl)ethanamine (2C-N);
- 2-(2,5-Dimethoxy-4-(n)-propylphenyl)ethanamine (2C-P).

5-2-8.1-2 Sale or Delivery. It shall be unlawful for any person to sell, offer for sale or deliver any product containing a synthetic cannabinoid, stimulant or psychedelic/hallucinogen.

5-2-8.1-3 Possession. It shall be unlawful for any person to knowingly possess a product containing a synthetic cannabinoid, stimulant or psychedelic/hallucinogen.

5-2-8.1-4 Use. It shall be unlawful for any person to be under the influence of a synthetic cannabinoid, stimulant or psychedelic/hallucinogen.

SECTION TWO: GENERAL PROVISIONS

REPEALER: All ordinances or portions thereof in conflict with this ordinance are hereby repealed.

SEVERABILITY: Should any provision of this Ordinance be declared invalid by a court of competent jurisdiction, the remaining provisions will remain in full force and effect the same as if the invalid provision had not been a part of this Ordinance.

EFFECTIVE DATE: This Ordinance shall be in full force and effect after its approval, passage and publication in pamphlet form as provided by law.

**VILLAGE OF SUGAR GROVE
BOARD REPORT**

TO: VILLAGE PRESIDENT & BOARD OF TRUSTEES
FROM: RICHARD YOUNG, COMMUNITY DEVELOPMENT DIRECTOR
SUBJECT: DISCUSSION: CREATION OF A NEW LIGHT INDUSTRIAL ZONING DISTRICT
AGENDA: OCTOBER 4, 2011 COTW MEETING
DATE: SEPTEMBER 30, 2011

ISSUE

Review of ideas for a new Light Industrial (I-1) Zoning District.

DISCUSSION

As part of continuing efforts to improve Sugar Grove's Zoning Ordinance, staff is working on text for a new I-1 Zoning District which could be added to the Ordinance. This is also in response to questions raised during the TIF public hearings regarding potential uses abutting residential areas. Landscape buffering and setback could provide the performance standards needed to address most concerns, however a new I-1 District may provide additional protection for a compatible transition from district to district. The primary issue is the list of what should or should not be included as permitted and special uses within the proposed district. Uses generally associated with a Light Industrial Districts in other communities include; office and administrative buildings, corporate headquarter, office parks and planned developments, retail and wholesale display rooms, research laboratories, contractor's offices and shops, union halls, training facilities, indoor equipment and machinery sales and service operations, indoor sports facilities and limited indoor production and storage facilities.

More intense uses would be are generally called out as special uses and must be approved by the Village Board following a public hearing before the Plan Commission.

Staff will provide the COTW with a matrix of all uses generally associated with Business Park, Office and Research and Industrial Uses at the meeting on September 20th.

COST

If a new district is established, the only costs involved will be that of the public hearing notice and a limited amount of attorney review time.

UPDATE: Since the time of the last COTW Meeting Staff has completed the Matrix of all uses listed within the B-1, B-2, B-3, BP, OR-2 and M-1 District. Please review the attached and we will discuss with the COTW ON THE 4TH.

RECOMMENDATION

That the Committee of the Whole discuss the idea of a proposed amendment and provide feedback to staff for a draft ordinance.

**VILLAGE OF SUGAR GROVE
BOARD REPORT**

TO: VILLAGE PRESIDENT & BOARD OF TRUSTEES
FROM: CINDY GALBREATH, VILLAGE CLERK
SUBJECT: PLAN COMMISSION APPOINTMENT
AGENDA: OCTOBER 04, 2011 REGULAR BOARD MEETING
DATE: FRIDAY, SEPTEMBER 30, 2011

ISSUE

Should the Board of Trustees of the Village of Sugar Grove ratify President Michels appointment of Ms. Rebecca Sabo to the Zoning Board of Appeals/Plan Commission.

DISCUSSION

The Plan Commission / Zoning Board of Appeals currently has a vacant position. The Plan Commission is comprised of seven members, six (6) members must be residents of the Village, and the seventh may be a citizen of Sugar Grove Township, outside any municipal limits. Members are selected by the President and confirmed by the Board.

This appointment is authorized by Village Code 1-8-6-C, which states that the mode of appointment is the President and Trustees, voting jointly.

COSTS

There are no costs associated with this appointment.

RECOMMENDATION

That the Village Board ratifies the appointment of Ms. Rebecca Sabo to the Sugar Zoning Board of Appeals / Plan Commission.

**VILLAGE OF SUGAR GROVE
BOARD REPORT**

TO: VILLAGE PRESIDENT & BOARD OF TRUSTEES
FROM: CYNTHIA L. GALBREATH
SUBJECT: 2011 ROUND TABLE MEETING OF SUGAR GROVE
COMMUNITY TAXING BODIES
AGENDA DATE: OCTOBER 4, 2011 COMMITTEE OF THE WHOLE
DATE: SEPTEMBER 30, 2011

ISSUE

Should the Board host a Round Table Meeting of the Sugar Grove Community Taxing Bodies.

DISCUSSION

Each year since 2004 the Village of Sugar Grove has hosted a round table meeting with the taxing bodies of Sugar Grove. In the past a topic that is of interest or affecting all entities, such as transition fees, bike paths, and the affect of the economy have been discussed and debated.

This year it is suggested that a light dinner be served and that no formal topic be submitted for discussion. Instead, a format that encourages networking to strengthen and improve intergovernmental relationships is recommended.

A brief time for each entity to provide a summary of significant activity within their agency could be provided, followed by activities that would facilitate relationship strengthening are suggested. Staff is currently exploring ideas such as non-serious debate format or a trivia contest.

In order to give sufficient notice it is suggested that this meeting be held either on November 15 or November 29, 2012, depending on availability of the Fire Department or Library meeting room.

COSTS

Costs associated are estimated to be \$150.00, which is available in Board - Public Relations 01 57 6515.

RECOMMENDATION

The Board discusses hosting a Joint Meeting of the Sugar Grove Taxing Bodies and direct staff as to the format, to make the needed preparations, reservations, and to send invitations to the appropriate parties.

AGENDA: OCTOBER 4, 2012 REGULAR MEETING
DATE: SEPTEMBER 27, 2012

ISSUE

Should the Village meeting schedule for the Board, Committee of the Whole, and the Plan Commission meetings, be approved for calendar year 2012.

DISCUSSION

Regular Board and Committee of the Whole (COTW) meetings are set by Village Code, 1-8-2. The Code states that all Regular Board Meetings shall be held at 6:00 p.m. on the first and third Tuesday and COTW meetings shall be on the same days beginning at 6:30 p.m. Statute requires the schedule to be reviewed, approved, posted and sent to the local papers prior to the end of each calendar year. Statute further allows for dates and place of any meeting to be amended and also allows for special and emergency meetings to be held as long as the agenda is published.

Plan Commission meetings are held monthly and the meeting day is set by the commission. At this time there is no change for Plan Commission meeting dates and they will continue to be held on the third Wednesday of each month beginning at 7:00 p.m.

The proposed 2012 calendar is attached. Upon approval the calendar will be posted and published as required. Although it is not required that the calendar be published until the end of November, as the Board and staff are typically planning a few months out, setting the calendar at that this time allows for efficiency in planning.

For 2012 the only change to the regular meeting dates is for the Plan Commission November meeting which has been changed to the second week rather than the third, as the third Wednesday is the evening before Thanksgiving.

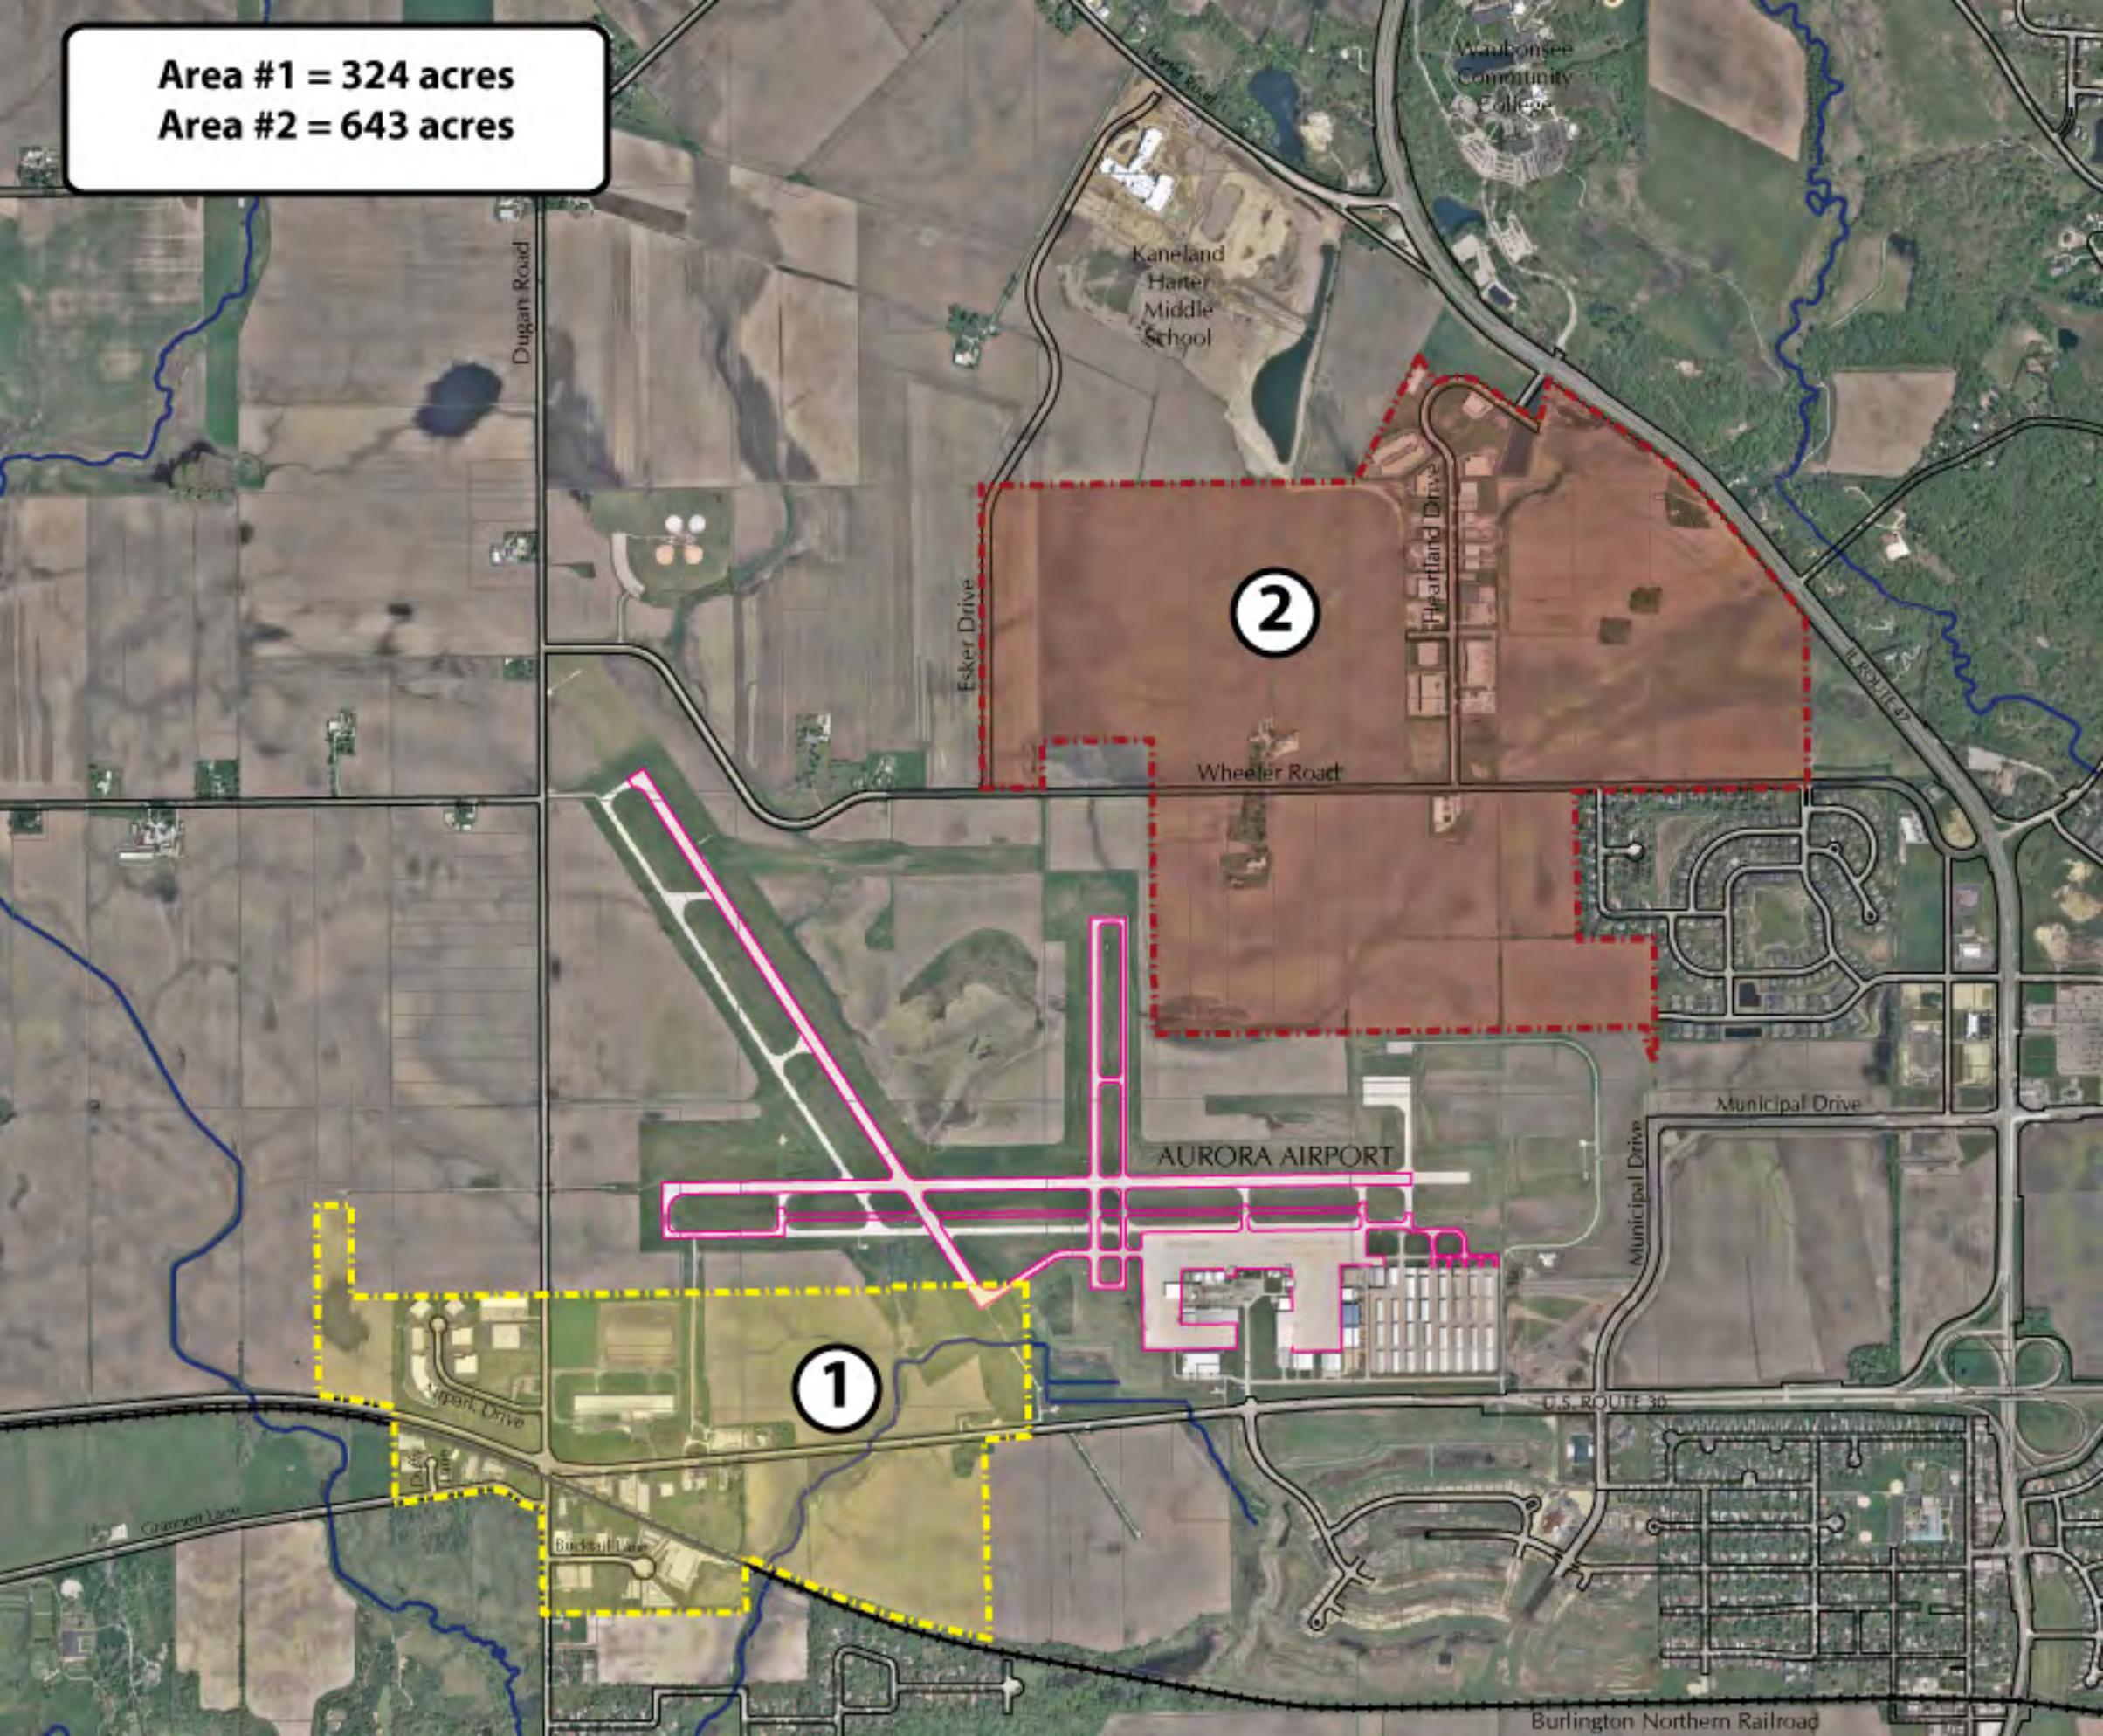

COSTS

The cost of the approval for the calendar of the meetings is the cost of the publication which is estimated to be approximately \$75.00 and is budgeted in account 01-57-6503, GF - Boards and Commissions, Advertising and Publication.

RECOMMENDATION

That the Board approves the 2012 Village Calendar.

**VILLAGE OF SUGAR GROVE
BOARD REPORT**

TO: VILLAGE PRESIDENT & BOARD OF TRUSTEES
FROM: BRENT M. EICHELBERGER, VILLAGE ADMINISTRATOR
SUBJECT: DISCUSSION: TAX INCREMENT FINANCING (TIF) DISTRICT
AGENDA: OCTOBER 4, 2011 COMMITTEE OF THE WHOLE
DATE: SEPTEMBER 30, 2011

ISSUE

Should the Village pursue the establishment of a Tax Increment Financing (TIF) District.

DISCUSSION

This Board Report is written with the understanding that the named recipients (the Sugar Grove Corporate Authorities) have a thorough knowledge of TIF Districts. Other readers less familiar with the subject may want to reference the Village's web site for additional information on TIF Districts.

Following the August 16, 2011 opening of the Public Hearing for the then proposed TIF District (or more simply, TIF), the Board directed staff to cease to pursue that TIF and explore an alternative that would address many of the concerns raised with the original proposed TIF. The primary concern was the size of the proposed TIF. The length of time of the TIF was also a concern. Both of these concerns, and others, stemmed from fundamental concerns regarding all of the taxpaying entities ability to fund their operations in the years while the TIF would be in effect.

Follow-up meetings were held with the Kaneland School District and the Sugar Grove Fire District (SGFD) as they are the agencies with the most potential impact from a TIF. Kaneland due to its being roughly 2/3rds of a typical property tax bill and the amount of the TIF within their boundaries, and the SGFD due to the possibility that industrial development might require new forms of service. Staff also met with the consultant assisting the Village with the TIF project.

Staff currently recommends that the Village pursue two separate TIF's. The two TIF's would center on the focus areas for development and eliminate the need to include acreage purely for contiguity purposes. This would address the main concern with the prior TIF by reducing the size by almost 50%. Further refinement of the areas could result in an even greater reduction in size.

Proposed TIF #1 would not involve any annexation or rezoning. As drafted, TIF #2 would involve annexation and rezoning. By its location and size, TIF #1 significantly addresses the fundamental concerns raised.

Staff believes that TIF #1 should be pursued diligently as a standalone straight forward TIF.

TIF #2 also significantly addresses the fundamental concerns raised, but at its proposed size, further measures, such as the interim release of taxes generated by the normally occurring increment, could be considered. As TIF #2, by nature of the necessary annexation and rezoning, would require a longer process, staff recommends that it also be diligently pursued, but as a separate standalone TIF.

COST

The estimated additional costs to separate the TIF project into two separate TIF's is \$5,000 which will be charged to the TIF fund if established.

RECOMMENDATION

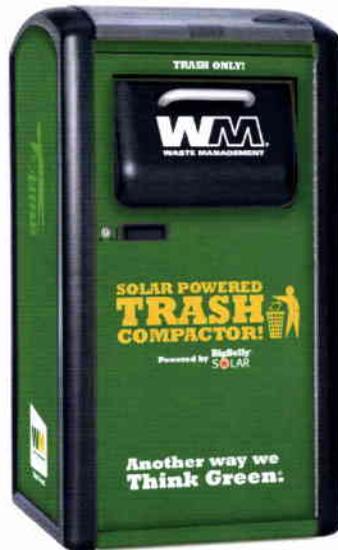

That the Board by consensus direct staff to proceed with two distinct and separate TIF's, with TIF #1 being a simple TIF and consideration being given to further address concerns with TIF #2.

Frequently Asked Questions

How much sunlight is needed?

The BigBelly needs no direct sunlight. It runs on a 12-Volt battery that is kept charged by its solar panel on sunny or cloudy days. The battery provides a power reserve for several weeks, so it performs well even in northern latitudes.

Do the bags get too heavy?

Customers have not had problems with bag weight. We have designed the BigBelly to be simple and ergonomically friendly to use. Weight can also be controlled using a 5-position switch.

Is the machine safe to use?

Yes. The hopper prevents hands from reaching the compaction area, and the unit locks. The motor will not operate with the door open. The machine also runs on a safe, low voltage.

Does holding compacted trash create odor problems?

No. The BigBelly is an enclosed system, so odors are contained inside. Customers have reported improved odor control compared to open-air cans.

Is it expensive?

While more expensive than a regular trash can, the BigBelly reduces collection requirements 4 times or more, saving

thousands over its lifetime. Contact WM for a custom savings analysis.

Is it susceptible to vandalism?

BigBelly is made tough from heavy-gauge galvanized steel, polycarbonate shield and high impact ABS plastic sides. The

BigBelly resists scratches, dents and graffiti and units are bolted down for added security.

Is it resistant to sand and water?

Yes. The exterior has passed a 10-year accelerated life-cycle corrosion test. BigBelly has few moving parts, and the simple, enclosed design helps keep out sand. The powder-coat finish is designed for long life in icy and marine environments.

How hard it is to maintain?

Maintaining the BigBelly is easy. Routine maintenance is simply battery replacement and chain lubrication about every 4-5 years.

RESOLUTION NO. 20111004A

**A Resolution Instituting an Impact Fee/Transition Fee Rebate Program in
the Village of Sugar Grove, Kane County, Illinois**

WHEREAS, the Village of Sugar Grove, has for many years, been imposing impact fees through its annexation agreements and development agreements, special uses and Planned Unit Developments where appropriate; and

WHEREAS, due to the difficult economic conditions, development in the Village has been substantially reduced or halted; and,

WHEREAS, the Village finds that attempts to stimulate development are in the best interests of the citizens of the Village of Sugar Grove.

NOW, THEREFORE, BE IT RESOLVED by the Village President and the Board of Trustees of the Village of Sugar Grove as follows:

- 1) That, pursuant to various annexation agreements, development agreements, Planned Unit Development Ordinances, and similar documents granting entitlements to property and developers of property, the Village imposes impact and transition fees on certain units in the Village of Sugar Grove.
- 2) That, certain units pay no such impact fees or transition fees, due to their not being subject to any such entitlement documents as outlined in Paragraph 1 above.
- 3) That, only to the extent that a given unit pays a given fee (or fees), shall they be provided the given rebate for the given fee (or fees) specified herein below. The applicable rebates are due at the same time that the fee (or fees) is due. Under no circumstances shall applicable rebates be paid prior to payment of the fee (or fees) due from the individual/entity tendering payment of said fee (or fees), or exceed the amount of said fee (or fees).
- 4) That the applicable rebates specified below shall be provided to the individual/entity tendering payment of said fee (or fees) immediately upon payment of the required fee (or fees). To reduce the need for issuance of actual rebates checks from the Village, the Village staff may accept checks for the amount of the fee (or fees) due for a given unit less the amount of the applicable rebates (i.e. the rebate amount is already deducted from the gross amount of the check tendered). The Village staff, may, if circumstances require a reasonable delay of a rebate check, require payment in full, and thereafter tender a rebate check back to the individual/entity tendering payment of said fee (or fees) in their sole discretion.
- 5) This resolution and the right to any applicable rebates shall expire on October, 31, 2012 at 4:30 P.M. In order to be entitled to any applicable rebates, the individual/entity wishing to receive said rebate must apply for and receive a building permit by the above date/time along with payment of any fees due at building permit. Any permit applications/payments not actually received (regardless of delays in mailing or other delays) by Village staff by said date/time shall not qualify for these rebates. However, some of the fees that are to be rebated are not due until the certificate of occupancy is applied for. If the individual/entity wishing

to receive said rebates has timely applied for its building permit as required above, a rebate for fees due at certificate of occupancy shall be considered timely, if the certificate of occupancy is issued and paid for by October 31, 2013 at 4:30 P.M. Additionally, for any unit that receives a rebate(s), the certificate of occupancy must be issued and paid for by October 31, 2013 at 4:30 P.M. or said rebate shall be automatically revoked and the amount previously rebated shall be due prior to issuance of the certificate of occupancy for said unit. Additionally, regardless of the above expiration date, the maximum number of single family or multi-family units (i.e. a single family house is one unit and one residence of a multi-family structure is one unit) that shall be entitled to said rebates shall be 35 (on a first come first served basis).

6) The amounts of said rebates are as follows:

a) Transition Fees: One Hundred Percent (100%) of the applicable fee (or fees), regardless of designated entity to receive said transition fee (or fees).

b) Impact Fees: Up to Five Thousand Dollars (\$5,000.00) to be allocated by staff between the various applicable impact fees in staff's discretion.

7) Certain fees are currently due at building permit and certain applicable fees are due at issuance of the certificate of occupancy. Staff is hereby delegated the power to defer payment of fees from building permit application to issuance of the certificate of occupancy in their discretion.

PASSED AND APPROVED by the President and Board of Trustees of the Village of Sugar Grove, Kane County, Illinois, this 4th day of October, 2011.

**VILLAGE OF SUGAR GROVE
BOARD REPORT**

TO: VILLAGE PRESIDENT & BOARD OF TRUSTEES
FROM: RICHARD YOUNG COMMUNITY DEVELOPMENT DIRECTOR
SUBJECT: RESOLUTION: EXTENSION OF THE RESIDENTIAL
DEVELOPMENT FEES STIMULUS PROGRAM
AGENDA: OCTOBER 4, 2011 REGULAR BOARD MEETING
DATE: SEPTEMBER 30, 2011

ISSUE

Should the Village continue the program amending residential development permit fees on a short term basis.

DISCUSSION

At the September 20, 2011 COTW meeting the Committee directed staff to place a Resolution extending the residential development stimulus program on the October 4, 2011 Regular Meeting Agenda.

The program provides for a rebate on Transition Fees of 100% of the applicable fee (or fees), regardless of designated entity to receive said fee (or fees) and up to \$5,000 to be allocated by staff between the various applicable impact fees in staff's discretion. If approved by the Village Board, the extension dates of this program would be as follows: to be eligible a building permit must be applied for and paid for by October 31, 2012 and a Certificate of Occupancy (CO) must be applied for and paid for by October 31, 2013. As in the past, the program will include up to 35 new units per year. Also as in the past, the program will allow for the deferral of the payment of some fees from the time of permit issuance to the time a CO is issued.

The Impact Fee reductions will be done in capital accounts and recouped by allocating the amount to remaining homes to be built in the future; estimated at \$10 per unit. While the Transition Fee reduction will not be recouped, the proposed 35 unit cap will prevent it from becoming a major burden.

COSTS

The immediate cost of this program is unknown because of the unknown number of permits, but as presented will likely be limited to minimal legal consulting fees. The long term impact should be limited to forgiven revenues and should not have a significant impact on the financial status of the Village.

RECOMMENDATION

That the Board approve Resolution 20111004A extending the Impact Fee/Transition Fee Rebate and Deferral Program.
