SUGAR GROVE POLICE RECEIVE DUI ENFORCEMENT GRANT

On Thursday February 14, 2013 the Kane County DUI Task Force awarded the Sugar Grove Police Department \$8,200 for DUI enforcement. This funding will be used to pay officers on special DUI patrols scheduled at dates and times when we experience a greater likelihood of impaired drivers on the roadways in Sugar Grove. The special enforcement dates include, but may not be limited to the following:

- 2013
 - NCAA Basketball Championship (Final Four)
 - Independence Day
 - Labor Day
 - Thanksgiving Eve
 - New Year's Eve
- 2014
 - Super Bowl Sunday
 - St. Patrick's Day

These DUI patrols may not have been possible without the assistance of the Kane County DUI Task Force.

Village President Sean Michels said "With over 32% of traffic accidents that involve fatalities it was found that the offending driver was impaired, it is vital that our officers remove and deter intoxicated motorists. Therefore this funding assists our officers in completing this important goal."
