**ISSUE**

Discussion of the 2017 MFT Program.

**DISCUSSION**

In an effort to best utilize the available MFT funds, Staff and EEI have been reviewing the condition of Village roads and determined that the best use is to focus on Preventative Maintenance. Staff and EEI have developed three options for the Boards consideration:

Option 1 consists of cracksealing only, on Park Avenue (East and West), Capitol Drive, Division Drive, Merrill Road, Esker Drive, Granart Road, Hankes Road, Prairie Street, Wheeler Road, Municipal Drive, Galena Boulevard, Cross Street, and the Chelsea Meadows subdivision. The total cost including engineering for this option is \$250,000.

Option 2 consists of microsurfacing and cracksealing. The Chelsea Meadows subdivision would get cracksealing and microsurfacing. Park Avenue (East and West), Capitol Drive, Division Drive, Merrill Road, Esker Drive and Prairie Street would be cracksealed. The total cost including engineering for this option is \$248,000.

Option 3 consists of resurfacing and cracksealing. The Carriage Hill subdivision would be resurfaced. Park Avenue (East and West), Capitol Drive, Division Drive, Merrill Road, Esker Drive and the Chelsea Meadow subdivision would get cracksealed. The total cost including engineering for this option is \$260,300.

**COST**

The recommended MFT projected budget is included in the Fiscal Year 17-18 Infrastructure Fund, account numbers 35-00-3430: Motor Fuel Tax Receipts (\$233,022), 35-50-6303: Engineering Services (\$28,143) and 35-50-7008: Capital Improvements (\$206,386).

**RECOMMENDATION**

The Village Board discusses the 2017 MFT Program as recommended and advises Staff to proceed.
