
**VILLAGE OF SUGAR GROVE
BOARD REPORT**

TO: VILLAGE PRESIDENT & BOARD OF TRUSTEES
FROM: PAT CHAMBERLIN, FINANCE DIRECTOR
PAT ROLLINS, POLICE CHIEF
SUBJECT: RESOLUTION: VILLAGE WIDE TELECOMMUNICATION SYSTEM
UPGRADE
AGENDA: NOVEMBER 11, 2016 BOARD AGENDA
DATE: NOVEMBER 15, 2016

ISSUE

Should the Board upgrade the telecommunications and phone system.

DISCUSSION

Per the discussion at the Village Board meeting on November 1, 2016, we will continue to utilize Call One as our provider for delivering phone service into the Village buildings. A couple of questions came up at the meeting about the ever-changing technology and fiber; in reply to these questions fiber service providers/vendors are interchangeable and do not impact this project now or in the future and the phone system being proposed is compatible with the industry standards being developed at this time.

It was recommended that we purchase the new phones, hardware, and infrastructure from BlueWire as proposed. Payments will be spread over a three year period as directed by the Village Board and thus no need to come up with a lump sum up front payment.

Under this upgrade, the yearly cost for the Call One service will be approximately \$8,532 (currently we pay \$17,700 yearly to Call One). And, the cost for the BlueWire phones will be \$12,446. The combined yearly cost for BlueWire and Call One will be approximately \$20,978 per year over the next three years. However, additional increases from Call One have not been fully implemented at this time but will in the near future. These anticipated increases will far exceed the BlueWire and Call One combined yearly price.

The total cost for the entire project over the next three years is \$62,934 for the hardware, equipment, telephones and phone line services. Starting in the fourth year, the payment would just include the cost of the Call One service of \$8,532 as the Village will own the phone systems equipment.

COST

There is a yearly cost of \$20,978 for the next three years. The phones will be paid for by the third year.

RECOMMENDATION

That the Board Adopt a Resolution Authorizing Entering into an Agreement with Blue Wire.
