Board Approves Changes to Open Burning Regulations

At the August 20, 2019, Village Board Meeting, the Board voted to amend the Village's open burning regulations. The Board began discussions regarding the regulations after several residents raised concerns over the health and safety risks associated with the open burning of landscape material. The Board also heard from several residents in favor of open burning as a cost effective way to handle leaf and landscape debris cleanup. Following these discussions, the Board compared how open burning landscape debris is handled in surrounding communities and considered several options including no changes to the regulations, eliminating open burning completely and making some changes to the current regulations.

After careful deliberations, the Board voted to make changes to the open burning regulations for recreational purposes and landscape debris to allow burning as follows:

1. Recreational campfires must:
 - Be no larger than 3' x 3' x 3'.
 - Use untreated wood only, within a self-contained outdoor wood burning device or an outdoor fireplace.
 - Occur only between the hours of 10:00 a.m. and 10:00 p.m. Sunday through Thursday and 10:00 a.m. and midnight, on Friday and Saturday.
2. Open burning of leaves, diseased trees, and tree debris must:
 - Only occur on the premises on which they are generated.
 - Occur between the hours of 10:00 a.m. and 3:00 p.m. on sunny days only.
 - Be completely extinguished after 3:00 p.m.
 - Occur only with a wind speed of less than ten miles per hour.
 - Not occur during inversion conditions or ozone alert day. To see weather conditions, visit the Kane County Environmental Health Services website at kanehealth.com/Pages/Air-Quality.aspx or check your local weather forecast.
 - Use only dry materials.
 - Be supervised at all times by an adult until the fire is extinguished.
 - Have available within ten feet of the burning material a fire extinguisher, garden hose or water source.
 - Not occur in any public right of way.
 - Not occur within 20 feet of any building, structure, right of way or property line.

These changes are effective immediately.

Residents are encouraged to check with their homeowners association for burning regulations specific to each neighborhood as many do not permit the burning of landscape material as a part of their covenants.

Recreational Vehicle Parking Reminder

As boats and RVs start to make their way home for storage, the Village of Sugar Grove would like to remind residents of the RV parking ordinance (Section 6-3-8).

Campers, boats, utility trailers and other recreational vehicles may only be parked in a side or rear yard in residential areas. To be parked in a side or rear yard, vehicles must be on an improved surface such as concrete, blacktop or paving stone. Vehicles, such as those described, may be parked in the front yard driveway for a period not to exceed seventy-two (72) hours for the purpose of loading and unloading such vehicles within any given fourteen (14) day period.

Visit sugargrovel.gov to view the recreational vehicle parking ordinance in its entirety. For more information, contact the Community Development Department at 630-391-7220.

Have a Request for Service? Use Our Citizen Action Line

The Village of Sugar Grove offers a convenient way to communicate concerns and request information from Village staff online. The Citizen Action Line allows users to enter and track requests on a variety of subjects including Street Lights, Code Enforcement, Overnight Parking, Special Refuse Pickup, FOIA requests and more.

The Citizen Action Line is easy to use:

- Visit sugargrovel.gov.
- Select "How Do I" from the top menu bar.
- Select "Submit a Request for Service."
- Click on the specific issue that pertains to you - please note that there are options at the top of the page and at the bottom.
- Enter required information regarding the concern.
- Click "Submit Form" - an email confirmation will be sent to you with a service request tracking number.

Once staff receives the request, it will be directed to the appropriate personnel to be addressed. Residents are able to use their service request tracking number to view updates online.

Yard Waste Collection Continues through November

Yard waste collection continues through the week of November 25. All yard waste must be placed in biodegradable paper bags or in a rigid container no larger than 32 gallons, clearly marked "Yard Waste."

Please do not blow leaves into the streets as doing so creates dangerous situations and can cause flooding.

Pumpkin Composting

When Halloween is over and those jack-o-lanterns are more saggy than scary, don't throw them in the trash, compost them! Kane County and SCARCE will be hosting Pumpkin Smashing and Composting events in the area on Saturday, November 2. For details and locations, visit scarce.org/pumpkins.

Be a Good Neighbor – Keep Your Sidewalks Clear

Section 7-1-1 of the Village Code prohibits any obstruction on any sidewalk. Make your sidewalk easy to navigate for the elderly, disabled or parents with strollers. Do not block the sidewalk with vehicles, basketball hoops or other obstructions.
