Village Hall
10 S. Municipal Drive
Sugar Grove, IL 60554

Jen Konen, Heidi Lendi & Ryan Walter sworn in as Village of Sugar Grove Trustees

On May 7, 2019, three newly elected Village of Sugar Grove Trustees were sworn in at the Village Board Meeting in Village Hall. New trustees Jen Konen and Ryan Walter joined incumbent Heidi Lendi in taking the oath of office. The trio join President Sean Michels and Trustees Rick Montalto, Sean Herron and Ted Koch on the Board.

A resident since 2003, Heidi Lendi was appointed to the Board in October 2017 after having served on the Planning Commission for four years. The owner of a small architectural firm, Heidi has two bachelor's degrees from Illinois Institute of Technology.

A Sugar Grove resident for 16 years, Jen Konen is a Real Estate Broker with a bachelor's degree in Business Administration from Methodist University. Jen is currently President of the Hannaford Farms Homeowners Association.

A Certified Public Accountant, Ryan Walter holds a bachelor's degree from Bradley University and an M.B.A. from Northern Illinois University. He is currently Vice President and Regional Controller of The Quickrete Companies. Ryan has resided in Sugar Grove since 2001.

Thank You!

On April 16, the Village Board held a reception honoring Trustee Mari Johnson and Trustee David Paluch for their many years of dedicated service to the Village.

Water Main Replacement on Annette's Circle and Annette's Lane

The Village of Sugar Grove will begin replacing the water main along Annette's Circle and Annette's Lane in June 2019 followed by roadway improvements in the same locations. This work is anticipated to be completed by the fall of 2019.

Through traffic and driveway access will be maintained during construction; however, minor delays and temporary lane and driveway closures should be expected. Similarly, since the water main and partial services are being replaced, there will be brief periods of disruption to water service as new connections are made to the existing water system and services are switched from the old main to the new main. These times and dates will be communicated to the residents as the schedule progresses. In addition, due to conflicts with other existing utilities, some tree removal may be required,

but it will be very limited (and avoided where feasible). Minor disturbances will also occur throughout the subdivision as various infrastructure components are repaired or replaced at locations to be determined. Visit sugargroveil.gov to view the location of the affected areas.

Please contact Michele Piotrowski with Engineering Enterprises, Inc. with questions at 630-466-6700.

Yard Waste Collection

Yard Waste Collection runs through the last refuse pickup in November. Yard waste includes grass clippings, leaves, trimmings, branches and other material accumulated as the result of the care of lawns, shrubs and trees. Yard waste cannot contain any garbage, litter, rocks, sod or dirt.

Yard waste should be placed at the curb on your normal collection day. All yard waste must be placed in biodegradable

paper bags or in a rigid container no larger than 32 gallons, clearly marked "Yard Waste." Due to leaf decomposition, yard waste cannot be placed in plastic bags or put out for regular waste pickup.

Brush and branches must be in bundles no longer than 4 feet and tied with biodegradable string or twine; no wire.

If you have any questions regarding Yard Waste Collection, please contact DC Recycling Systems at 815-758-7274.

Police Department Reminders

The Village of Sugar Grove Police Department offers several programs to help safeguard your loved ones, home, belongings and pets.

Premise Alert Program

The Illinois Premise Alert Program encourages people with disabilities or special needs, or their caregivers, to provide information to police, fire and EMS personnel that will allow them to more effectively respond to emergency situations involving citizens with these needs. To register, visit sugargroveil.gov or call 630-391-7250.

Vacation Watch

When planning a vacation, make sure to use the Village's Vacation Watch program to register your property for additional patrols while you are away.

Bike Management/Pet Management

To protect your bicycles and pets should they become lost or stolen, the Police Department encourages you to use the Bike and Pet Management registries.

To register for these programs, visit frontlinepss.com/sugargrove or the Village website at sugargroveil.gov. For questions, call 630-391-7250.

Keep Your Curb Clear

When maintaining your lawn this summer, please remember to not discharge grass clippings into the street and gutter. Grass and other debris can clog up stormwater drains and lead to street flooding during rainstorms. Wet grass in the street also poses a danger to motorcyclists.

Please help us maintain our stormwater infrastructure. If you notice a clogged catch basin or drainage inlet, please contact Public Works at 630-391-7230.

Sign-up for Email Notifications

We encourage all residents to subscribe to receive email notifications so you can stay abreast of Village activities at sugargroveil.gov/subscriptions.

You may choose to receive notifications regarding any combination of the following: Board Agendas, Plan Commission Agendas, Police Department Alerts, or Newsletter Information.

Village Offices Closed on Independence Day

The Village of Sugar Grove Village Hall and Public Works facility will be closed in observation of Independence Day on Thursday, July 4, 2019. Normal business hours will resume Friday, July 5.

After-hour bill payments can be made via the Village after-hours drop box located at the entrance of Village Hall, 10 S. Municipal Drive.
