
**VILLAGE OF SUGAR GROVE
BOARD REPORT**

TO: VILLAGE PRESIDENT & BOARD OF TRUSTEES
FROM: CYNTHIA L. GALBREATH, VILLAGE CLERK
SUBJECT: ORDINANCE ADOPTING THE 2014 PREVAILING WAGE
AGENDA: JUNE 20, 2017 CONSENT AGENDA
DATE: JUNE 14, 2017

ISSUE

Should the Board establish the Prevailing Wage Rate for the Village of Sugar Grove.

DISCUSSION

Municipalities are required per 820 ILCS 130/9 to investigate and determine the prevailing rates of wages to be paid for work on public projects. Municipalities are required to pay prevailing wages when contracting any work for public projects. In lieu of performing their own investigation to determine the prevailing wages, a municipality may request the Department of Labor to determine the prevailing rates of wages. Each year the Department of Labor determines the prevailing wage by county and the information is made available for use by municipalities.

The prevailing wages must be adopted in June of each year and then must be posted or kept available for public inspection. A certified copy of the Ordinance must also be filed with the Secretary of State and Illinois Department of Labor by July 15 of each year.

Attached is the Ordinance, which sets the prevailing wage for the Village as, determined by the Department of Labor for Kane County.

COST

The ordinance must be published and publication cost is approximately \$75.00, which is budgeted in 01-57-6503, Boards and Commissions, Advertising.

RECOMMENDATION

That the Village Board Adopts Ordinance No. 20170620A An Ordinance Establishing the Prevailing Wage.

Exhibit A – 2017 Prevailing Wage for Kane County

This schedule contains the prevailing wage rates required to be paid for work performed on or after Monday, June 5, 2017 on public works projects in this County. Pursuant to 820 ILCS 130/4, public bodies in this County that have active public works projects are responsible for notifying all contractors and subcontractors working on those public works projects of the change (if any) to rates that were previously in effect. The failure of a public body to provide such notice does not relieve contractors or subcontractors of their obligations under the Prevailing Wage Act, including the duty to pay the relevant prevailing wage in effect at the time work subject to the Act is performed.
