
**VILLAGE OF SUGAR GROVE
BOARD REPORT**

TO: VILLAGE PRESIDENT & BOARD OF TRUSTEES
FROM: BRENT M. EICHELBERGER, VILLAGE ADMINISTRATOR
SUBJECT: HANNAFORD FARM TOPSOIL STOCKPILES
AGENDA: AUGUST 18, 2020 REGULAR BOARD MEETING
DATE: AUGUST 14, 2020

ISSUE

Should the Village facilitate the removal of the topsoil stockpiles in Hannaford Farm.

DISCUSSION

At the request of the Hannaford Farm HOA, Village Trustees Sean Herron and Heidi Lendi, as well as Village Staff and the Village Engineer, have been involved in discussions with the HOA and Badge 323 (representing the majority of vacant lots), regarding the HOA's desire to have the main topsoil stockpile removed and the HOA property fine graded and seeded. The discussions have also included the secondary stockpile on the future Denny Road extension ROW/future water tower site.

Trustee Herron would like to update the Board on the discussions and discuss ideas for continued Village participation.

COST

The cost of Village Engineer participation is being charged to the FILOD fee. Future costs and allocations will be dependent upon the action taken.

RECOMMENDATION

That the Board discuss the Village's role in the Hannaford Farm topsoil stockpiles issue.
